

Porthallow

Frame: Traditional hardwood glued, screwed and dowelled.

Seat: Fixed foam top.

Feet: Turned solid wooden feet in a dark brown finish.

Home Access Measurements: The diagonal measurement of the side of the sofa or chair, as per dimension (I) (see left), must be smaller than the width of the doorway.

The whole journey of your sofa from your front door to the room of choice needs to be taken into account, when considering access. Are there stairs to get round, or other obstacles?

If you have concerns about any aspects of delivering your sofa please feel free to ask for advice, call us on 0808 1783211.
